Bureau Leaders To Convene Here; Discuss Problems Of Organization

O. R. LONG

County Farm Bureau leaders from this area will gather in Cameron on Friday, September 7 for a sub-district meeting. This is one of 24 such sessions being conducted throughout the State by the Texas Farm Bureau Federation during

September. In attendance will be Marvin Carter, Federation Organization Director, and O. R. Long, Field Representative, American Farm Bureau Federation.

S. W. McClaren of Cameron, State Director for this district will preside. The all-day meeting will be held in the Simon-George Memorial Hall at Cameron beginning at 10:00 a. m.

Purpose of the sub-district conference is to give officials of the State organization an opportunity to confer with county leaders on present day issues affecting agriculture. Mr. Long will discuss the organization's program of work this year and the responsibilities of local leaders. Mr. Carter will present the enrollment plan which has been developed by the State organization and recommended to counties for use in their annual membership enrollment drive scheduled for the week of October 11-18.

In their reports to county leaders and members, the Federation representatives will discuss the movement led by the Texas Farm Bureau which resulted in the passage of a natural resources tax this year to help defray expenses of State government. The Texas Farm Bureau's successive campaign which saved the rural road program for another two years will also be reviewed.

Leaders will be told of the Farm Bureau's intensive program to curb price controls, its efforts to control inflation, work of the organization on the Poage labor bill which will provide alien labor on the farms of Texas during the harvest season. J. Walter Hammond, President of the Texas Farm Bureau Federation, is at present urging Texas congressmen to devote effort to eliminate red tape in processing of Mexican Nationals which is causing delay in making labor available to farmers.

125 leaders from this area are expected to attend.

Miss Pauline Mueck Wins Scholarship

Miss Pauline Mueck, daughter of Mr. and Mrs. Louis Mueck, Cameron won a \$100.00 scholarship in a contest recently at Durham's Business College at Austin.

Miss Mueck is a graduate of the 1951 class at Yoe High School and will enter college September 4. She is well known here and was popular in school activities while in high school.

October Induction Calls For Seven Men; To Leave on 9th

Local Board No. 92 has issued orders for the October Induction call for men from Milam County, according to Chairman, August Kunz.

The board issued a call for seven men. They are scheduled to leave Cameron October 9 and will report at the Dallas Induction Station. The men will leave at 1:45 P. M. on that day by Central Texas Bus Lines.

Three men were included in the September call. The following men will report to leave on October 9: Billy G. Marak, Roy L. Friemel, David R. Chandler, Raymond E. Lorenz, Gene J. Friemel, Lucius J. Smith and Joe J. Vrazel Jr.

A total of 109 men have been drafted into the armed services since the 1948 Draft Act.

Friends of Rip Woods will be glad to know that he is improving from a heat stroke he suffered recently. He has returned to his home after being in the St. Edward Hospital for several days and will have to be confined to the bed for ten more days.

Cotton Harvest Progressing In This Area; Pickers Needed

Cotton harvest is progressing fairly well in most section of central Texas, according to reports.

The cotton crop in Milam, Bell and McLennan counties is reported as fair. In some sections it is said poor. Cotton pickers are needed in most areas of the state.

Most of the cotton this year is being pulled, not picked. Some counties report good yields while others report fair to poor.

Production estimations at the present time (which changes up or down as the season progresses) for several surrounding counties are McLennan, 50,000 bales; Bell 30,000, Coryell, 20,000 Hill 60,000, Robertson and Falls 30,000.

Milam County's present estimate is around 20,000 bales. It has been reported that Milam County needs 1,500 pickers.

Saw 10 Months Duty Overseas In Korea With Marine Corps

CPL. WENDELL MITCHELL

Cpl. Wendell Mitchell, son of Mr. and Mrs. T. O. Mitchell of the Clarkson Community, is now stationed at Camp Ben Mar near Oceanside, California.

Cpl. Mitchell volunteered for service with the Marine Corps two years ago and recently returned from ten months overseas duty in Korea. He was on the front lines for sometime during the time he was in Korea.

He recently completed a 30 day furlough with relatives and friends in Milam County. He also visited his brothers, T-Sgt. T. O. Mitchell at Washington D. C. and M-Sgt. Jack Mitchell at Holloman's Field, New Mexico.

During his furlough home he was honored with a number of social activities in the Clarkson Community. He is a reader of the Cameron Herald and recently wrote requesting the change of address be made.

L. Van Perkins Addresses Lions Club

L. G. Smith was in charge of the Lions Luncheon, Tuesday, August 21.

L. Van Perkins gave a unique discussion on the New Texas Responsibility Law that will go into effect January 1, 1952.

Perkins briefly told how it would affect the average automobile owner and what penalties he would receive if he did not comply with the law.

Guests for the luncheon were Charles Tillery, Physical education teacher at Ada Henderson School, and John Jeter of Snyder. They were guests of Narvie Caperton.

Mechanical Demonstrations To Be Observed At Blackland

Roy Wright, Farm Home Administration Supervisor and J. D. Moore, county agent will attend the Blackland Experiment Stations, "Cotton Field Day, according to Mr. Wright.

All Milam County farmers are urged to attend this special event as many experimental projects are demonstrated that are highly educational and profitable to farmers today.

"Cotton Field Day" will be held Friday, August 31, beginning at 1 p. m. Dr. J. R. Johnston, superintendent has announced.

"Anyone interested in cotton growing is invited to attend," Dr. Johnston said.

Visitors will hear announcements relative to work with cotton this year, including fertilizer and spa-

cing, cotton variety performance and harvesting method efficiency.

Actually observed will be cotton defoliation results, demonstrations by mechanical pickers and strippers on different varieties of cotton and stalk destruction.

Several of the major farm equipment firms will cooperate by furnishing machinery for demonstrations.

Demonstrators will include the International - Harvester picker, John Deere and Oliver brush type stripper produced by Dearborn.

Dr. Johnston said that he is also hoping to have an Allis-Chalmers two-row picker and combination stripping attachment for demonstration.

Grazing experiments at the station were terminated last Friday and lot feeding will be started this week with 94 head of cattle.

The Crops Committee of the Chamber of Commerce is sponsoring a tour on Friday to the Station.

It is highly important that all farmers make a special effort to attend the field day and witness the educational demonstrations. A number of farmers have already indicated they plan to be present for the event.

Farmers who plan to attend the experiments will benefit greatly from the experimental projects.

Seventy-Five Bales Damaged As Firemen Bring Blaze Under Control

\$25,000.00 Loss Estimated In Fire

It was reported an estimated loss of \$25,000.00 resulted in a fire at the Round Bale Gin's cotton storage house around 5 P. M. Thursday, August 23.

Seventy-five bales were heavily damaged by fire and water. It was reported the fire originated near the suction motor. The cotton was temporarily stored and was scheduled to be ginned in a few days.

Jones, Dodd and Holder have the gin leased from the Southland Cotton Oil Company of Temple. R. W. Speer, manager and bookkeeper at the gin said the fire was blazing heavily when he discovered it. The Cameron Volunteer Fire Department was summoned, and exerted every possible effort in bringing the blaze under control.

Firemen had to pull several planks from the seed house in order to get at the blaze properly.

This was the largest fire in this area since the Milam Theatre burned in 1948, according to John Eanes, fire marshall.

Students, Instructor To Attend Banquet At A & M College

A number of students of the Yoe High FFA Chapter will attend an Honorary Award Banquet, Thursday night, August 23, it was announced by Leroy Thompson, instructor.

The event was scheduled to be held in the Student Memorial Center at A & M College.

Seventy-eight FFA Chapters over the state of Texas will be represented at the banquet, Thompson said. All medals, honors and awards that students won during 1951 will be presented at the banquet.

Students attending from Yoe are; Monroe Fuchs, Dean Fuller, Thomas Dusek, James Offield, and Ardell Pagel. Superintendent W. T. Hanes will also attend the affair.

The students will also receive their Lone Star Farmer's Certificate. Thompson will be presented an honorary Lone Star Farmer's degree.

Three Men From Milam County Leave For Induction September 11

Orders have been issued for the September induction call for men from Milam County, according to chairmen of the County draft board, August Kunz.

The September order calls for only three men from this county. The men will leave Cameron September 11, at 1:45 P. M. by Central Texas Bus Lines for the Dallas Induction Station.

After induction they will be given further assignments. This is the smallest induction call for men from this county since the Korean War and is the 13th induction call since the beginning of the conflict.

Men to leave in the September call are as follows: Clyde N. Dodson, Floyd Johnson and Odis Edward Turner.

school for medical service training, located at Fort Sam Houston, Texas.

A 1936 graduate of Bellingham High School, he entered the Army in 1941 and served 3½ years in Europe with the 6th Armored Cavalry.

Maysfield School Opening Set For September 3rd

The Maysfield School will open Monday, September 3, according to Harrison McLerran, principal.

McLerran urges that all students be present on the first day for enrollment and other matriculations. The bus will run on the first day. The trustees of the Maysfield School District were recently granted permission by the County School Board to purchase a vehicle for transporting school children.

Lunch rooms service will get underway on Tuesday, September 4, McLerran said.

Other teachers at the school are Mrs. J. A. Bowling who teaches the 4th, 5th and 6th grades. Ann Mae Henderson teaches the primary grades.

Miss Adelaide Bickett of Temple attended the Marlow Homecoming Sunday, August 26. She formerly lived in Marlow.

Warren Brashear Accepts Position With Oil Company

Warren Brashear has accepted a position with the Magnolia Oil Company at Beaumont.

Brashear, formerly employed at the Grabein Chevrolet Company is well known in Cameron. He graduated from Yoe High School and was in the armed forces during World War II. He began his duties with the company ten days ago.

He married the former Juanita Burnett. They have one son, Gary. Mrs. Brashear and son plan to move to Beaumont soon to be with Mr. Brashear.

Mr. and Mrs. Woodrow Finley of Houston are visiting in Cameron and Marlow for several days. Mrs. Finley is the former Virginia Burnett.

Mr. and Mrs. John Tindall and son Leland of Cameron attended the Annual Homecoming at Marlow Sunday.

Ronald Hudson registered at A & M College Saturday. He will be a Sophomore student when school gets underway in September. He is the son of Mr. and Mrs. C. W. Hudson.

Tennis Court Work Progressing Fine; Completion Due Soon

Work on the Tennis courts at Yoe High School was due to be completed soon, according to Dr. Clifford Swift, president of the Cameron School Board.

Materials for the work is being furnished by the school. Arthur Bowling, highway engineer, has furnished a considerable amount of equipped and machinery and the board wishes to express its appreciation for his cooperation on the project.

The city and county has also furnished equipment and labor on the construction and their efforts are to be highly commended. It was hoped that the construction would be completed by the opening of school next Monday, September 3.

Tennis is a popular sport with students at both the Ada Henderson and Yoe High School.

Gins Hum As Cotton Harvest Gets Into Full Swing In County

Harvest Expected To Be Completed Within Three Weeks

6,395 bales of new cotton has been received at the Cameron Compress, up to Wednesday night, August 22, it was reported.

Due to continued dry weather, cotton in most areas of the county has opened rapidly. Several farmers over the county have indicated that most of the cotton in the county will be harvested within the next three weeks if picking weather prevails.

Around the 21 of August 1950 only 499 bales had been received at the compress. Picking is underway in all sections of the county and cotton pickers are still needed in this area.

Short crops over the cotton areas in South Texas has caused pickers to migrate to this section of the state. Some farmers are reporting that Mexican laborers who were in this area last year are coming in making their own contracts, hunting up the farmers, to reverse the usual order of the over-worked planter cruising up and down the highway looking for somebody to pick his cotton.

The crop in Milam County will be short this year but according to reports will produce more than the 1950 crop. Around 90,000 acres was planted in the county this year. The present outlook of estimation for the 1951 crop will probably run around 20,000 bales.

Last year 58,000 acres was planted in the county. Some cotton in the county is extra good while other fields will turn out little yield. This is a good indication that insect

infestation was heavier in some sections of the county than others. With favorable harvest weather and an adequate supply of labor, farmers should be able to get their crop out under the most favorable conditions.

Middling cotton was bringing around 35½ cents a pound in Cameron and seeds were bringing around \$68.00 per ton. Corn was selling at \$1.50 with a short crop predicted this year.

The volume of new cotton reaching the market in such proportions justifies early predictions. Cameron gins were humming and the operators are working late at night in order to get all the cotton ginned, so that farmers could get their trucks back to the fields for the next morning's picking.

The compress in Cameron is a concentration point for cotton over a wide area in Central Texas, and each year takes care of several thousands of bales.

Campaign Launched To Enforce Cattle Ceiling Prices

A full scale campaign to enforce cattle price ceilings has been launched by the Houston District Office of Price Stabilization as part of a nation-wide program, Rex L. Poston, Houston OPS enforcement director, announced.

Investigators of the Houston district, assisted by OPS meat experts, Friday (August 17) started an intensive check-up of slaughtering activities in the district's 38 Southeast Texas counties.

OPS enforcement investigators plants which have been slaughtering abnormally high amounts of cattle, Mr. DiSalle instructed the Houston District Office.

Investigators will determine if the plants have been buying cattle at above-ceiling prices, and also will check records to determine if the plants have been selling dressed beef at above-ceiling prices.

Mr. DiSalle, in announcing the nation-wide enforcement campaign informed the Houston District Office that the OPS has received numerous complaints from packers over the nation that they were unable to purchase cattle at ceiling prices. These complaints have been received since the abolition by Congress of the authority from Ops to allocate equitable slaughter quotas, Mr. DiSalle said.

County Chairman To Head Drive Begins September 3

HENRY SIEBMAN

The "largest possible" total of sales will be the goal of the Defense Bond Drive to be held Sept. 3 through Oct. 27, Nathan Adams of Dallas, state Defense Bond chairman, announced Thursday.

There will be no dollar quotas, Mr. Adams said in a letter to Mr. Henry Siebman, Defense Bond Chairman for Milam County.

"Instead, Treasury Secretary John W. Snyder has asked us to sell as many defense Bonds as possible, to back up our armed forces and to help resist the pressure of inflation," Mr. Adams said. He urged the local chairman, however, to set for the county a goal "high enough to be a challenge to you and your committee."

"The people want a part in the nation's defense effort," he said. "Right now the most practical way for them to help is for them to buy U. S. Defense Bonds."

Mr. Adams said that volunteers

Campaign To Increase Chamber Budget Making Great Progress

According to Dr. Gus Evans Jr., the campaign to raise the \$10,000 Budget at the Chamber of Commerce is progressing fine.

Business firms throughout the entire city are cooperating with every possible effort to meet the proposed amount. The Chamber and members of the Jaycees recently met to discuss and formulate plans to reach this amount.

Interest toward increasing the budget has been at a high level among the majority of the citizens of the city as they realize the value in having an active organization.

Truman Pembroke who is a surgery patient at a hospital in Corpus Christi is recovering nicely. He is confined to the U. S. Naval Hospital, Surgery Ward No. 2, Corpus Christi, Texas.

Mr. and Mrs. Guy S. Garth and children, Jimmy and Johnny of Jackson, Mississippi are visiting in the home of Mrs. Garth's parents, Mr. and Mrs. J. C. Martin of Cameron. Mr. and Mrs. Garth plan to leave for Mexico soon. Jimmy and Johnny will stay with their grandparents.

are being organized in every community of the state to conduct intensive campaigns during the drive which is the first since outbreak of the Korean war more than a year ago. Emphasis will be placed on increasing sales through the payroll savings plan, which permits employees to buy bonds by having deductions made from wages or salaries, and the Bond-A-Month Plan through which bank customers can buy bonds automatically.

The budget for the past several years has amounted to a little less than \$5,000.

According to Dr. Evans Jr., for the past three days the increase has amounted to \$2,942.

IT'S A FIREBALL ENGINE

You never tried a fine car like This One

YOU've a right to set your sights higher when you buy a fine car.

You can rightly expect more room—more comfort—more performance—and a lordly smoothness in the way it carries you.

So we present these facts:

You'll find, in a ROADMASTER, more usable room than you'll find in any other six-passenger car in America.

You'll find the extra comfort of double-depth Foamtex cushions in ROADMASTER only.

You'll find that the ROADMASTER has a high-compression, valve-in-head power plant that is also exclusively Buick's—a mighty Fireball Engine

endowed with more performance than most owners will ever need.

And you'll find that a ROADMASTER rolls with unsurpassed levelness and poise, thanks to coil springs on all four wheels—which is still another feature found on no other car in the fine-car field.

But the thrill that is yours, when you get this willing beauty out on the open road, is something that can't be summed up in any listing of features, one by one.

It's a "feel" which, we honestly believe, no other car can approach.

It's the sure way this dazzling

performer holds the road—the way it responds to your slightest wish—the quick answer you get when you nudge the throttle—the extra security you feel in the velvet grip of the brakes—the complete freedom from tension you find in Dynaflo Drive—the sense of mastery that makes every mile a joy.

And, confidentially, there's one more important way in which ROADMASTER stands alone, and that is in the modest cost of its pounds and performance.

Better come in soon and check for yourself what a great car and a great buy this one really is.

New Ruling Allowed Grocery Merchants

Grocers in the 38-county Houston District of the Office of Price Stabilization now may conduct special promotion sales under a new OPS amendment. Milam County is included in this district, according to L. G. Smith, manager at the Chamber of Commerce.

The new ruling allows a grocer to offer a regular item of merchandise in a joint sale with a special item or items such as when one item is sold at regular ceiling price and the special item is sold at up to half the ceiling price.

The Houston OPS also said it has been advised that grocers selling special food items have until September 30 to apply for special markups and price ceilings, and that Group 1 food stores now may reclassify as Group 2 stores.

The new method of pricing on promotion sales will encourage such sales and will result in consumer being able to buy promotion items as "considerably less" than regular ceiling prices, the OPS pointed out.

The previous deadline for applying for special price rules on "specialty" food items was May 30. The OPS office explained that the order permitting reclassification of grocers will result in reduced ceiling prices and savings to customers as stores in Group 2 are permitted lower parkups than those in Group 1.

Students, Instructor Presented Degrees At Awards Banquets

Seven Future Farmers of Area 3 were announced Thursday night as winners of the American Farmer degree, highest recognition of the Future Farmers of America.

The winners were presented at the awards banquet of Area 3, which comprises 24 counties surrounding College Station, held at Texas A and M College.

Also announced were 57 winners of the Lone Star Farmer degree, highest state award of the FFA. Those receiving degrees from Yoe High School were the following: Thomas C. Dusek, Monroe Herman Fuchs, Dean Fuller, Carl Hill, Jim Matyastik, Giles Bruce McDermott, James Offield and Ardell Pagel of Cameron.

L. R. Thompson was named an honorary Lone Star Farmer for Cameron.

The state last week logged its highest polio incidence of the season, but it was still far short of the record set last year.

Ninety seven cases of the virulent disease were reported by the State Department of Health for the week ending August 11, bringing the year's total to 874. Last week's report bested the previous week's incidence of 92 cases by five.

"Even one case of polio is too much," State Health Officer George W. Cox said, "but I'm mighty glad we don't have polio in wholesale lots like we did last year and the year before."

Last year Texas suffered 2355 cases for the entire season. There were 210 deaths for the entire year, State Health Department statistics show, 88 of them occurring during the first 6 months. Through June of this year 29 polio deaths have been recorded.

Program For Boy Scout Leaders Gets Underway Monday August 27

125 Leaders In This Area Expected To Attend Event

Some four hundred leaders of Boy Scout Units will benefit from the enlarged training program for leaders now being initiated by the Heart O' Texas Council, Boy Scouts of America, announced Irving M. Pettis, Council Leadership Training Chairman. As a result of this more than four thousand boys will enjoy the benefits of a finer Scouting program.

The expansion program gets underway Monday evening, August 27, when thirty District Scoutmaster Training Chairmen meet for a thirty hour Trainer's course at the Waco Onized Club with P. G. Knudson as Chairman and Cecil E. Wade as Co-Chairman. These men from the nine counties of the Heart O' Texas Council will experience the latest methods of Scoutmaster Training so to be prepared to operate Scoutmaster Courses in their local area this fall.

Directors of instruction will be M. H. McMaster, Deputy Regional America. Mr. McMasters has been assigned to the Heart O' Texas Council and three other Councils for a period of one year to help establish expanded Leader training program.

Like program are being established for training Cub Scout Leaders and Explorer Advisers. The Rev. Mr. Nick A. Kupferle Jr. is Council Chairman of Cub Scout Leader Training. A Trainers' session for District Cub Scout Leader Chairman will be held September 17 and 18. L. Neil Gately is Council Chairman of Explorer Advisor Training. The Explorer Trainers' session will start September 25.

Heading the over-all training program for the Milam District is District Leadership Training Chairman Lloyd Taylor.

Cubmaster Training Chairman for Milam District is Rev. F. T. Sager. Explorer Advisor Training Chairman of Milam District is Gene Blake.

Old-Age and Survivors Insurance Program Designated By SS

The social security program affords protection against the hazards of old age and protection to the survivors of workers who never reach retirement age. The system is correctly designated "Old-Age Survivors Insurance."

For insured wage earners there are two categories of benefits payable. The first is a retirement benefit made at age 65 or later. A wife, age 65, is entitled to a monthly benefit equal to 50% of the amount the worker gets. A wife under age 65, is entitled to benefit payments, provided she has the wage earner's minor child in her care. The child is entitled to a monthly benefit until he reaches age 18, marries, or dies. In that case, the wife, under 65 would have her benefit terminated. However, she can file application and get payments, when she reaches age 65.

A dependent husband, 65 or older, may be entitled to a benefit equal to 75% of their husband's benefits (had he lived) when certain requirements are met.

State Health Officer Stresses Importance Of Physical Check-ups

"Children are not really ready to enter school until they have had a complete physical examination," Dr. Geo. W. Cox, State Health Officer reminds parents "All boys and girls enrolling in the kindergarten or first grade classes of Texas schools should be taken to their physicians, or to a public health clinic, for an immediate physical check-up if they have not had such an examination in recent months.

"As most parents know, vaccination against smallpox is necessary. Those who received this immunization in infancy should be vaccinated again in order to assure a high degree of immunity and those who have never received this protection should be vaccinated without delay.

"Diphtheria immunization is also an important safeguard for all boys and girls about to enter school. Those who have never been immunized against this disease should receive toxoid shots now.

Physical Examinations Given First Graders At Fort Hood School

Pre-school physical examinations were given this week to 90 first graders of Fort Hood Independent School.

More than 100 kindergartners were examined Monday at the auditorium of the Hood School.

The physicals are complete except for visual and hearing tests which will be given later in the school year.

Sponsored by the Hood Parent Teachers Association, the exams are under the direction of Captain Lucille Fallon, school nurse, and are conducted by post Army medical personnel.

Captain Fallon reported that only about five per cent of the first graders examined needed correction and she said that percentage was about normal.

KIND OF DRIVING!

Combines best features of previous drives! Fordomatic gives you two automatic drives in one—a torque converter for smoothness—and automatic gears for get-up-and-go.

Fordomatic Drive optional at extra cost on V-8 only. Equipment, accessories and trim subject to change without notice.

Practically drives itself! Fordomatic thinks for you. It smoothly and automatically provides a countless number of drive ratios through which engine power is fed to the rear wheels.

You're boss every second. Step down on the accelerator and you get an extra spurt of power for hill climbing and passing. Going downhill you can shift to low at any speed for extra engine braking.

Easier rocking! It's even easier to "rock" out of sand, snow or mud with Fordomatic than with Conventional drive. Just move the selector back and forth between low and reverse.

It's a gas-saving powerhouse! Fordomatic's automatic intermediate gear provides smooth, fast, economical "getaway" without wasteful engine racing. Uses no more gas than the savingful conventional Ford.

Nation-Wide Survey Of Grocery Price Markups Planned

A nationwide survey of wholesale and retail grocery price markups is being planned by the Office of Price Stabilization, the Houston OPS has been advised.

The survey will be conducted with a view of revising present markups to reflect cost changes and the new requirements of the Defense Production Act amendments of 1951, Houston OPS officials were told.

The Houston office explained that the regulations involved ceiling Price Regulations 14, 15, and 16, will be revised if the survey indicates that present markups are too high or too low.

Milton Schulz of Houston stopped in Cameron to visit his brother, Wilford Schulz and two sisters, Mrs. John Moddesette and Mrs. Jim Laird. He was on his way to Miles, Texas.

102 DEGREES THURSDAY

The weather continues to be the chief topic of conversation. The official report again was 102 degrees, Thursday. For the past three days the thermometer has registered 102.

Showers are reported in central Texas for Saturday and Sunday. Rain has broken the drought in several areas of the state while other areas are still suffering heavily.

MRS. MOORE IMPROVING

Mrs. J. D. Moore of Cameron who recently underwent an operation in a Temple Hospital is improving.

Mrs. Moore is now recuperating at the home of her mother at Troy, Texas. She is well known here and took a leading part in the work of the Civic Garden Club during the past year. Her many friends will be glad to know she is making progress from her recent illness.

Jimmy Pillgreen of Houston is spending several days in the home of Mr. and Mrs. Gene Blake. He is a nephew of Mrs. Blake.

METER TOTAL FOR WEEK

\$229.85 is the total for meter collection for the week ending Thursday, August 23, according to Naomi Needham, city secretary.

Last week's report amounted to \$215.37. The report has fallen below the \$200.00 mark only once in the past ten weeks. With the harvest season in full swing more people will be coming into the city, and meter collection may continue to turn out good.

The total for the past ten weeks has run over the \$2,000 mark. A number of rural citizens have indicated they like the meters.

Mrs. R. L. Batte, Eldon and Ernest Batte have returned from a 9 day vacation to Tennessee where they visited relatives of the late R. L. Batte Sr. They also enjoyed other points of interest, including the great Smoky Mountain range.

Sgt. Johnnie Gurecky At Carswell AF Base

Sgt. Johnny Gruseky is stationed at Carswell Air Force Base, near Fort Worth.

Sgt. Grusecky recently concluded a month's leave with relatives and friends in Milam County. He has been in Okinawa for the past two years. He volunteered for service with the Air Corps in September 1948. During his overseas duty he was Teletype operator.

He reported to the Vance Air Force Base at Enith, Oklahoma at the end of his furlough and was sent to Carswell Air Force Base from there.

Sgt. Grusecky is the son of Mr. and Mrs. John Grusecky of Marak. The editor of the Cameron Herald recently received a letter from Sgt. Gurecky, telling of his new address as he enjoys getting the hometown paper. He said, "I'm finally located in God's Country, (Texas)."

He is a graduate of Yoe High School. He is well known in Cameron. His address is: 1921st A. A. C. S. Sq., Carswell AF Base, Fort Worth, Texas.

B., P Women's Club Entertained At Farm Home of Members

Misses Lillian Atkinson and Ann Stallworth entertained the Business and Professional Women's Club at their farm home, Wednesday evening, August 22.

The event took place in the yard and the tables were decorated with seasonal flowers and grapes.

Preceding the business session, a delicious salad plate was served to fifteen members and one guest, Mrs. Lelia Rogers.

Plans were made during the business session to begin work on the Year Book. Everyone reported a wonderful evening.

The club will begin its fall meetings at the club rooms on Tuesday September 4, according to the secretary, Mrs. Neomi Needham.

President Truman Endorses Religious Education Week

President Harry Truman holds that religious education will "give each of us courage and faith with which to face the dangerous day ahead and insight into the ways we can best achieve permanent peace."

He stated his views in an indorsement of Christian Education Week scheduled for the week of September 30- October 7. It is being sponsored by the National Council of Churches of Christ in the United States of America. His view are contained in a letter to Dr. Roy Ross, executive secretary of the council's division of Christian education.

"Religious education embodies the teaching of those ideals of human dignity and worth which are essential to the democratic way of life," the president wrote. "It is of utmost urgency that we demonstrate to bewildered peoples everywhere not only that we believe in brotherhood, as taught by Christ and the great prophets of the Old Testament, but that we put these beliefs into practice."

"I am glad to give my wholehearted endorsement to the observance of Christian Education Week," the Chief executive continued. "In these critical times, when many peoples have become victim of an enslaving totalitarian philosophy, and when many more are being threatened, I am sure that you could have chosen no more significant theme than "Teach Religion, Make Men Free."

Rev. and Mrs. W. C. Sanders and little daughter, Sally were guests in the home of Mr. and Mrs. Earl Moseley. Rev. Sanders is a former pastor of First Baptist Church here and is now pastor at Trinity Baptist Church in Tyler.

Captain Anne Doering, WAC, of Georgetown Receives High Honor

The Commander of the Women's Army Corps detachment at Fort Hood, Captain Anne M. Doering, of Georgetown, Texas received high praise this afternoon in the form of a certificate of achievement.

Making the presentation in the presence of the entire WAC detachment was Colonel Richard A. Jones, deputy post commander.

Captain Doering was initially recommended for the certificate by the Post Inspector General.

As a result of a general inspection made recently the unit was the only one under the jurisdiction of Headquarters, Fort Hood to be given a "Superior" rating.

In the words of the award, "Captain Doering has displayed unusually fine leadership and raised the standards and living conditions of the WAC detachment.

Colonel Jones praised her for her supervisory ability and for helping maintain high morale and esprit de corps.

The captain has been command-

ing officer of the detachment since its activation August 1950.

Her parents, Mr. and Mrs. B. E. Solomon, live in Georgetown.

Curry School To Open Monday, September 3

Curry School will open Monday September 3, it was announced by C. W. Hudson, principal. Registration and other preliminary procedures will be taken care of that day.

Lunch room service will begin Tuesday, Mr. Hudson said. Mrs. Hudson is teacher of the primary grades.

Trustees of the Curry District are George Leath, Edwin Zawadzke and John Eisfeldt.

Mr. Hudson holds a BA Degree from SWTSTC at San Marcos and has taught for fifteen years. He was principal at the Buckholts School for a number of years, and taught six years at the Milano School.

Mrs. Hudson holds a BS degree from Mary-Hardin College at Belton and had taught at the Curry School for the past four years.

Mrs. Jack Wallace of Marlow has returned to her home after being a patient in the St. Edward Hospital. She is reported to be improving nicely.

Swimming Pool Closed; Due to Lack Of Customers

The municipal swimming pool has been closed for the 1951 season, according to Don Edmonds and Lawrence Michalka, operators.

Edmonds said, due to the lack of patronage during the past several days, the pool was shut down. The amount of income at the pool did not justify operational expenses, he added.

The pool has been a center of recreation for swimmers in this area for several years. A good filtering system had recently been installed at the pool and sanitation has been improved greatly by its installation.

Edmonds and Michalka operated the pool for several years. Both are registered life-guards. Their services at the pool should be appreciated as they have put forth every effort to make it a good clean swimming pool.

Little River Cemetery Association Meeting Scheduled Sept. 2

The Annual Little River Cemetery Association meeting will be held at the church on Sunday, September 2, according to T. B. Stidham, secretary.

This is the twenty-eight consecutive meeting of the association. Services will be held at the church with Sunday School at 10 A. M. Morning Service will be at 11. At noon a basket dinner on the church grounds will take place.

Rev. W. D. Boswell, former pastor of the church will bring the sermon at the morning service. After dinner a business session is scheduled at which time officers for the coming year will be elected.

Cotton Council Predicts Strong Demand For Cotton

Consumption prospects, together with the commodity loan program, make it neither wise nor necessary for the cotton farmer to dump his crop at depressed price levels during the abnormal pressure of the current harvest season, Harold A. Young, president of the National Cotton Council, said today in a message to producer-delegates of the industrywide organization.

The council president emphasized that the demand outlook is still just as strong as was anticipated at the time the government requested a 16,000,000 bale cotton crop last December.

Department of Agriculture figures, he said point to a domestic consumption during the coming year of 10,500,000 bales and exports of 5,500,000 bales, giving a total disappearance of 16,000,000 bales.

Turner Grocery Store Open Here Wednesday

Mr. and Mrs. Lester Turner have announced the opening of their suburban store. It is located at the corner of N. Fannin and 23rd st., formerly known as Bob Terry's Grocery.

Mr. Turner said the store would carry a good line of staple groceries and other needs. Gas will be sold and school supplies will be available.

Mr. and Mrs. Turner invites the public to visit their store.

Many 18 Year Olds Failing To Register, Director Announces

The number of 18-year-old Texans failing to register under the federal draft law is increasing, Brig. Gen. Paul L. Wakefield, state Selective Service director, said here today.

State Draft headquarters records indicate that registration has been falling off since the end of March. General Wakefield estimated that 2,000 to 2,500 18-year-olds currently are unregistered.

"We've been watching this situation closely since late spring with the hope that the trend would stop, the state draft director said. "We've asked the local draft boards to act under a provision of the regulations whereby a letter will be sent to men in their communities suspected of being delinquent under the law."

General Wakefield reminded males subject to registration of penalties of convicted of failure to comply with the law. He quoted from a section of the law providing a maximum penalties of fine up to \$10,000 and imprisonment up to five years.

Under the draft act, all 18-year-old males are required to register with the nearest draft board on their 18th birthday or within five days thereafter.

"It's up to local boards whether or not they want to turn any man over to federal district attorneys for prosecution," the state Selective Service director said. "Our board members are patient, considerate men, and usually give a man better than a fair chance, if he's willing to co-operate."

"If the registration record doesn't improve within the next two or three months, we're going to advise the boards to be a little tougher than in the past. After all, the man who doesn't register on time isn't pulling his share of the load our people are carrying. He isn't being fair to the man who does register on time."

"A man is dealing fairly with his neighbors if he obeys the law just as they do. We hope parents and public-spirited citizens will keep 18-year-old men reminded of their responsibilities under the law, General Wakefield concluded."

Johnny Reiman of Goose Creek visited here recently.

The groom is the son of Mr. and Mrs. Furman Shuffield. They plan to make their home in Cameron.

Labor Representative Estimates 1951 Cotton Crop at 26,000 Bales

According to M. S. DeManche, representative of Texas Employment Commission, Milam County's 1951 cotton crop estimate will be approximately 26,000 bales.

DeManche said that 17,000 bales has been ginned over the county, according to reports from the Cam-Sunday & Monday, September 2-3 eron Compress. He also said the Milam County crop was about 65% harvested.

DeManche reported that about 60 migratory Mexican crews with an average of 18 members to the crew are picking cotton in this county. This has greatly relieved the labor shortage throughout the entire county, he added.

Methodist Churches Designate September 9 As Flood Relief Day

Sunday, September 9, has been designated as Flood Relief Day in Methodist Churches throughout the land. The Council of Bishops and the executive Committee of the General Commission on World Service and Finance have made a special appeal for aid to Methodists in areas of Kansas damaged by floods.

More than 70 churches and parsonages must be rebuilt in Kansas, Central Kansas and Central West Annual Conferences at an estimated cost of \$300,000. In some area, 95% of the church members have lost their homes.

Relief organizations and army engineers are restoring order and housing the homeless with local aid, but they cannot restore damaged church property. Five hundred neighboring churches in the Kansas-Nebraska Areas have raised \$50,000 to help replace personal losses of ministers.

"Let Flood Relief Sunday be a day of compassion."

Mr. and Mrs. Reynolds Return From Vacation

Mr. and Mrs. Edwin Reynolds of Cameron and Mr. and Mrs. Bert Briggs and daughter Jennifer of Austin returned recently from an enjoyable vacation.

They also traveled into Mexico, to Juarez and Del Rio and saw many of the interesting places in that country.

Doves May Be Scarce In This Area Due To Extended Drouth

Uncertainty shrouded hunting prospects as Texans prepared to open the northern zone mourning dove season at noon Sept. 1.

The Executive Secretary said the record breaking drought was the principal factor in casting so much doubt about the general mourning dove situation.

"We are never certain about mourning doves especially early in the season," said the Executive Director. "The shooting generally is spotted during the first phase of the shooting."

He said there was more than usual interest in the early hunting reports because of the known fact that the drought has cut dove production somewhat in Texas.

Williamson Rodeo Opens August 31

The seventh annual Williamson County Sheriff's Posse Rodeo will open at Georgetown Friday night at 8 o'clock for a four-performance run.

Shows will be held Friday, Saturday and Monday nights and on Sunday afternoon at 2:30 o'clock. Monte Hale, the western film star, will be on hand for all four shows, riding and a-singing!

Producers of the rodeo is Wild Bill Elliott and Tommy Steiner of Austin and those who have seen it say that it is tops in entertainment. Last year more than 15 thousand people viewed the three shows, held for the first time in Georgetown's modern rodeo arena that seats 5500 spectators.

Three to Five Carloads of Water Shipped Each Week To Rosebud

Cameron may be called upon to supply ten tank cars of water daily for Scott and White and Santa Fe Hospitals, according to Dr. Arthur Scott, head of Scott and White Memorial Hospital.

According to L. W. Smith, superintendent of the Cameron Water Department an agreement between the hospitals and the city of Cameron have been made for Cameron to furnish Scott and White Hospital 50,000 gallons of water daily and 30,000 gallons to the Santa Fe Hospital each day if needed.

The Temple city commission recently asked two railroads to get ready to haul water, if the water crisis grows worse. Water in Temple's reservoir on the Leon River was estimated at 18 to 24 inches deep.

The Temple supply grew scarcer Tuesday despite some help given by Fort Hood. The big army installation, about 70 miles upstream on the Leon, diverted 900,000 gallons of water daily from three wells into the river.

According to E. C. Cole, agent for the Southern Pacific Railroad, three to five car loads of water a week was being shipped to Rosebud each week, which began sometime in June. These shipments are handled through the Cameron Compress Company, Cole said.

Wednesday morning Dr. A. C. Scott and two Temple businessmen were in Cameron in connection with plans to haul water to Temple from Cameron, if necessary. There was no definite indication when this procedure would begin, Smith said. Mayor A. N. Green said he was

keeping close check on the Little River to see that an adequate water supply was available.

Scheduled Saturday September 1 School Consolidation Election

Interest over the coming school election is reaching a high level. Saturday, September 1, the voters in the Cameron and Curry school districts will vote on the proposition of consolidating the Curry School district with the Cameron School district.

Mayor A. N. Green issues the following statement to the voters of the Cameron and Curry School Districts, "I wish to state that this consolidation is for school purposes only. Such consolidation will cause no change in the city limits of Cameron. The people residing in the Curry district will not have to pay city taxes. The school tax will remain at seventy-five cents."

Mayor Green added, "Contrary to rumors being circulated, consolidation does not mean that Curry will be a part of the city of Cameron."

Voters of the immediate Curry district, before the consolidation of Belmena, Vogelsang and Walkers Creek will vote at the Curry School. Citizens of Vogelsang will vote at the Vogelsang school; people of Walkers Creek at Walker's Creek School house. The Belmena Community votes at the Belmena School.

Voters in the Hoyte, Salem and Minerva vote at the Court house. Cameron voters at the school gymnasium or at the court house.

Consolidation of the school districts means the pooling of school taxes of both school districts. The people of both Curry and Cameron will pay the same tax. There will be no change in the City Limits. No bond issue is contemplated.

New Modern Constuction Due To Be Completed Sometime in 1952

Specifications call for a \$105,000 dial system plant of the Southwest Bell Telephone Company to be built at Rockdale, according to Floyd Reed, district manager of Brenham.

Actual construction has not begun, Floyd said but the lot has been secured and surveyed.

\$21,000 additional will be spent on outside plant facilities such as cable work and other telephones to be installed, Floyd stated.

The new construction will be modern in every detail. Completion of the structure has previously been announced as 18 months from February 1951 or approximately a year from now.

School Days Are Better Breakfast Days

IT'S time to make school days into better breakfast days, for September is Better Breakfast Month. It will be fun for all, especially if your breakfast menu looks and tastes this good.

Surveys put a revealing spotlight on our nation's breakfast habits. As for the youngsters, only one out of five goes to school with a good breakfast.

Breakfast Bonus

Government nutritionists point out that drowsiness and low grades may be the result of the forgotten or hasty breakfast. On the sunny side, scientific tests have proved breakfast will "up" our work output, make us quicker on the draw, and keep us calmer and steadier during the morning.

A good breakfast, according to a pattern widely recommended by doctors and nutritionists, is a basic cereal breakfast. This includes just five foods: fruit, cereal, milk, bread and butter.

Tasty Menu

On a September morn, start with bright red tomato juice. Oatmeal is the main dish. Atop this goes—much to the delight of

youngsters — fresh applesauce sprinkled with chopped peanuts. Serve it with either cold or hot milk.

Crunchy Wheat Muffins, made with crushed shredded wheat biscuits, offer a different bread-and-butter dish. You'll find the easy recipe below. Make your breakfast beverage milk for the children, coffee and milk for adults.

Crunchy Wheat Muffins

1 1/4 cups sifted all-purpose flour
3 teaspoons baking powder
1 teaspoon salt
1 1/4 cups finely crushed shredded wheat biscuits
1/2 cup chopped nuts
1/4 cup brown sugar
1 cup milk
1 egg, beaten
1/3 cup melted fat or salad oil
Sift together flour, baking powder, and salt. Combine shredded wheat, nuts, and brown sugar and add to flour mixture. Add milk and fat to egg and stir into flour mixture until just blended. Fill greased muffin pans, 2 1/2 x 1 1/2 inches, 2/3 full. Bake in hot oven (425°F.) about 20 minutes, or until done. Yield: 12 muffins.

Charles W. Kunz Receives Commission Second Lieutenant

Battery C, 649th Anti-aircraft Battalion gained another officer last week when Charles W. Kunz received a commission as Second Lieutenant and was assigned to the local National guard unit as Platoon leader.

Kunz appeared before a Guard examining board in Austin on August 13th, and was commissioned at that time.

A veteran of World War II, Kunz served in the Navy for three years, much of the time in the South Pacific. He attended A & M College at College Station. He is associated with his father in the operation of the Kunz Planing Mill here in Cameron.

Mr., Mrs. J. Cammer Return From Vacation Tour of Western U. S.

Mr. and Mrs. Jack Cammer and daughter Sharon Jean returned Sunday from a vacation trip to Colorado Springs and other points west.

They especially enjoyed their trip to Pikes Peak. They saw the Garden of the Gods, The Cliff Dwellers and other interesting and educational places.

From Colorado they went to Salt Lake City and visited the Mormon Temple. They went through Reno, Nevada and on to San Francisco, California where they visited Mrs. Cammer's brother and family, Mr. and Mrs. Erwin McBride.

They enjoyed the delightful cool climate of California and other states. Billy Wayne Angell accompanied them on the tour.

Ladies Bowling League Ends; Lone Star Team Winners

Ladies Summer Bowling League ended Tuesday night with a chicken barbecue for the members, their husbands and friends.

The occasion took place at the A.C. Hall and around 50 were present.

The Lone Star Team received honors by winning first place. The five Spares and CYO tied for second place while Katherine's Beauty shop ended third.

The league met once a week for the friendly get-together and to bowl.

It was hoped that a fall league would be organized soon and ladies wishing to join may come out and try their art at bowling.

Ladies who have never bowled are urged to come out.

Mrs. N. Y. Hayes attended the revival services at Marlow Thursday night. She formerly lived in that community.

THIS IS A SAMPLE of the type of Stock you will see at the 1951 Cen-Tex Fair to be held in Temple September 18-22. Dr. A. C. Scott Jr., of Scott and White Hospital in Temple is shown with Conrad Vogel Jr., of Marlin with the Grand Champion steer of the 1950 Cen-Tex Fair. Scott and White Hospital purchased the calf for \$1 per pound.

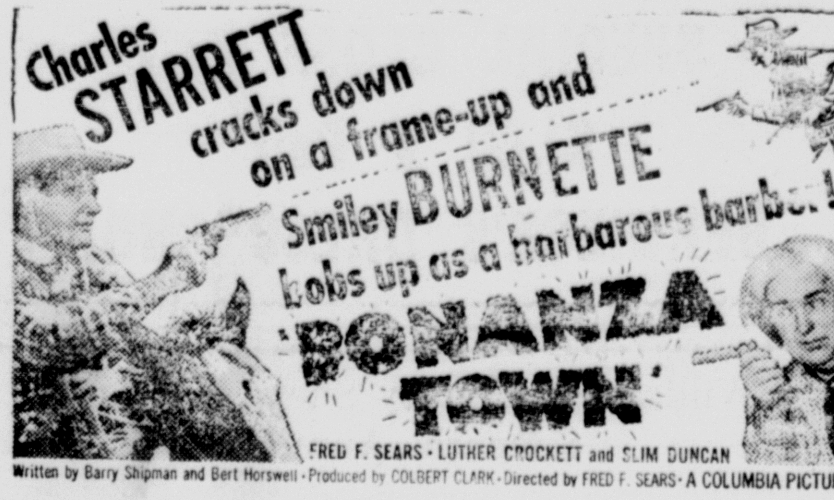

Marlow Baptist Church Revival Ends; Several Additions to Church

The revival at the Marlow Baptist church closed Sunday night. Rev. Adrian Coleman, former pastor of the church, did the preaching.

He is pastor at the Markley Baptist church and has been at that church for the past thirteen months. He is well known over Milam County, and is a student at the Southwestern Theological Seminary at Fort Worth.

Rev. George Syer, pastor of the Gause Baptist Church, led in the song services. He has been at the

Gause Church for the past two years. Mrs. Theo Burnett and Mrs. Adrian Coleman were pianists during the revival. There were several additions to the church during the progress of the revival.

Helping Families Rebuild Is Red Cross' Main Flood Task

A Central Missouri homeowner shows a Red Cross disaster worker how Missouri River flood waters tore out walls inside his home. He and his wife managed to save only a few pieces of bedclothing. Throughout the Kansas, Missouri, Oklahoma and Illinois flood area 425 trained Red Cross disaster workers assisted by hundreds of chapter volunteers are engaged in the Red Cross' biggest part of its disaster job, helping more than 26,000 families back to normal restoring homes, furniture livelihoods or those without means to help themselves. All help is given outright not lent. Flood relief contributions to local Red Cross chapters will chance this help, now costing almost double the original \$5,000,000 Red Cross estimate. This help to individual families is not included in the 25,000,000 authorized by Congress for restoration of public works, essential businesses, etc.

SENATE JOINT RESOLUTION NO. 8
 proposing an Amendment to the Constitution of the State of Texas by adding to Article XVI thereof a new Section to be numbered 63, and authorizing the Legislature to provide for a statewide system of retirement and disability pensions for appointive officers and employees of the several counties of this State; providing that participation therein by counties shall be voluntary, and authorized by the qualified voters of such county; providing the Legislature shall not be authorized to make an appropriation to pay any retirement or disability benefits authorized herein; Administration of such system may be set up to administer the municipal retirement system provided for by Section 51f of Article III.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:
 Section 1. That Article XVI of the Constitution of the State of Texas be amended by adding thereto a new Section, to be numbered 63, which shall read as follows:
 "Section 63. The Legislature shall have the authority to provide for a statewide system of retirement and disability pensions for appointive officers and employees of the counties of this State under such plan and program as the Legislature shall authorize; provided, that participation therein by counties shall be voluntary and shall first be authorized by vote of the qualified voters of such county; provided further that the Legislature shall not be authorized to make an appropriation to pay any retirement or disability benefits authorized herein. Administration of such system may be set up to administer the municipal retirement system provided for by Section 51f of Article III."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the second Tuesday in November, 1951, at which election all ballots shall have printed thereon the following: "FOR the Constitutional Amendment authorizing a statewide system for retirement and disability pensions for appointive county officials and employees," and "AGAINST the Constitutional Amendment authorizing a statewide system for retirement and disability pensions for appointive county officials and employees."

HOUSE JOINT RESOLUTION NO. 22
 proposing an Amendment to the Constitution of Texas by adding to Article XVI thereof a new Section to be numbered 63, and authorizing the Legislature to provide for a statewide system of retirement and disability pensions for appointive officers and employees of the several counties of this State; providing that participation therein by counties shall be voluntary, and authorized by the qualified voters of such county; providing the Legislature shall not be authorized to make an appropriation to pay any retirement or disability benefits authorized herein; Administration of such system may be set up to administer the municipal retirement system provided for by Section 51f of Article III.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:
 Section 1. That Article XVI of the Constitution of the State of Texas be amended by adding thereto a new Section, to be numbered 63, which shall read as follows:
 "Section 63. The Legislature shall have the authority to provide for a statewide system of retirement and disability pensions for appointive officers and employees of the counties of this State under such plan and program as the Legislature shall authorize; provided, that participation therein by counties shall be voluntary and shall first be authorized by vote of the qualified voters of such county; provided further that the Legislature shall not be authorized to make an appropriation to pay any retirement or disability benefits authorized herein. Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the second Tuesday in November, 1951, at which election all ballots shall have printed thereon the following: "FOR the Constitutional Amendment authorizing a statewide system for retirement and disability pensions for appointive county officials and employees," and "AGAINST the Constitutional Amendment authorizing a statewide system for retirement and disability pensions for appointive county officials and employees."

HOUSE JOINT RESOLUTION NO. 27
 proposing an Amendment to Article VII of the Constitution of the State of Texas by adding a new section after Section 11 thereof to be designated as Section 11a, providing for the investment of the Permanent University Fund in additional securities to those now enumerated in Section 11 of Article VII of the Constitution of the State of Texas; providing for the necessary proclamation and publication, and calling of an election thereon.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:
 Section 1. That Article VII of the Constitution of the State of Texas shall be amended by adding after Section 11 thereof a new section to be designated Section 11a, which shall read as follows:
 "Section 11a. In addition to the bonds now enumerated in Section 11 of Article VII of the Constitution of the State of Texas, the Permanent University Fund may be invested in such other securities, including bonds, preferred stocks and common stocks, as the Board of Regents of the University of Texas may deem to be proper investment for said fund; provided, however, that not more than fifty per cent (50%) of the said fund shall be invested at any given time in stocks, nor shall more than one per cent (1%) of the said fund be invested in securities issued by any one (1) corporation nor shall more than five per cent (5%) of the voting stock of any (1) corporation be owned; and provided further that stocks eligible for purchase shall be restricted to stocks of companies incorporated within the United States which have paid dividends for ten (10) consecutive years or longer immediately prior to the date of purchase and which, except for bank stocks and insurance stocks, are listed upon an exchange registered with the Securities and Exchange Commission or its successors. This amendment shall be self-enacting."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the second Tuesday in November, 1951, at which election all ballots shall have printed thereon the following: "FOR the Constitutional Amendment providing for the investment of the Permanent University Fund in additional securities to those now enumerated in Section 11 of Article VII of the Constitution"; and "AGAINST the Constitutional Amendment providing for the investment of the Permanent University Fund in additional securities to those now enumerated in Section 11 of Article VII of the Constitution."

Crusade Against Communism Begins On Labor Day

The gigantic drive to halt Communist lies and aggression lies and aggression called Crusade for Freedom opens Labor Day and runs through September, Lieut. Gen. Preston A. Weathered of Dallas state chairman, announced today. Goals for Texas in the nationwide drive are set at 862,500 signatures and \$120,900 in contributions.

The freedom drive seeks to enroll freedom-loving Texans "to combat Communism and send more messages of truth and hope to millions trapped behind the Iron Curtain." Signers will be asked to make whatever gift they can to support Crusade-operated radio stations pin-pointed along the Soviet borders to refute propaganda.

Crusade stations spike Bolshevik lines, name collaborators of the Kremlin by name, expose Red plots and tell enslaved people the truth about America's ideals and policies. Slogan for the 1951 Crusade is "Help truth fight Communism — join the Crusade for Freedom."

"Communist aggressors are finding out that the truth hurts," General Weathered said. "Already they are doing everything in their power to blackmail the freedom stations of the American people off the air." He added that "Reds will not succeed in quieting the voice of truth and freedom."

The 137 local chapters of the Texas Junior Chamber of Commerce have adopted the Crusade as a statewide project. These clubs will spark the anti-Red Program in every part of the state.

General Weathered urged persons in areas not served by Crusade Committees to send correspondence and contributions to Crusade for Freedom, Dallas, Texas.

Miss Katherine Sutter Graduates From Waco Nursing School

Miss Katherine Sutter of 304 Karnes Avenue, Cameron, recently received her diploma and graduate's pin from Providence Hospital School of Nursing in Waco. Miss Sutter was secretary-treasurer of the 21 women and five men who made up the school's largest post-war graduating class.

Graduation day was the climax of a week of special events honoring the seniors and highlighted by a dinner-dance with the junior class as hosts. The days schedule began with mass in the hospital chapel, followed by a breakfast. After graduation in the afternoon, friends and relatives of the graduates attended a reception at the hospital.

Mrs. Mary Bailey Honored With Party

Mrs. August Halberdier and Mrs. Gib Terry were co-hostesses to a group of friends at the Halberdier home Wednesday afternoon.

The occasion was to honor their mother, Mrs. Mary Bailey. After a pleasant get-together a delicious refreshment course of Angel food cake and home made ice cream was served.

Present were Mrs. J. S. Jacob, Rex Bartlett, Mrs. Jeff Avera, Mrs. Tom Eward, Mrs. Lula Manley and Mrs. Therman Dodson.

Training Clinic Set For Tuesday At Chamber

Cameron drug store operators will go back to school again with the start of a drug store training clinic, beginning Tuesday, September 4, according to an announcement made by L. G. Smith, manager of the Chamber of Commerce.

Two courses, training in fountain and luncheonette service and selling drug store merchandise, will be offered. Class schedules are presently being formulated and they will be so arranged to make it convenient for split-shift employees to attend.

Clark C. Cramer, drug store training specialist of the University of Texas, division of extension, will be in charge of instructions. Cramer has had more than fifteen years of experience in the drug store field. Joining the University staff some three years ago, he has been responsible for the training of more than 2,500 drug store people throughout the state.

Each of the two courses are to be conducted for a period of ten hours in five two hour class sessions. The course is designed to help employees do a better service to the customer. The clinic is being sponsored locally by the Chamber of Commerce. It is a part of the vocational distributive education service of the Texas Education Agency. It is co-sponsored and approved by the Texas Pharmaceutical Association. Further information regarding class schedules may now be obtained by calling the Chamber.

Baptist Evangelistic Conference Scheduled In Dallas Tuesday

Texas Baptists have set Tuesday, September 4 as check-up time on their 1951 campaign to win 250,000 new converts to Christ.

Some three to four thousand Baptists from all over the state are expected to attend a special evangelistic conference in Dallas the 4th. The conference is to be held at the First Baptist church in connection with the regular quarterly meeting of the executive board of the Baptist General Convention of Texas.

The evangelistic session has been called by William Fleming, Fort Worth layman, president of the Baptist convention; Dr. J. Howard Williams, convention executive secretary, and Dr. C. Wade Freeman, state superintendent of evangelism both of Dallas.

All Baptists have been invited to next Tuesday's conference with emphasis on the attendance of pastors, Sunday school superintendents, Training Union directors, Brotherhood and Women's Missionary Union presidents, district and associational missionaries.

Prize Texas 'Chicks'

ON THE LEFT, a Texas Blonde; on the right, a Texas Cross broiler. The first is weighing the second which has been raised on antibiotic-supplemented feed. Using 45,000 of this type chicken (developed by crossing New Hampshire and Leghorns) Youngblood's Farm of Waco recently completed a test on the "big four" wonder drug antibiotics to discover the most efficient poultry feed supplement. Winner was Bi-Con TM-5, containing the wide-range antibiotic terramycin. The terramycin feed produced broilers for 15.06 cents a pound, while the three other feed supplements ran costs per live pound up to 16.28, 16.59 and 16.84 cents each. Youngblood's raises 3 million chickens yearly. Its plants include breeding farms, hatchery, broiler plants, processing plant, feed mill, seven modern cafes plus a wholesale sales force.

Billy Hanes Is Confined to Hospital At Portsmouth, Va.

Mr. and Mrs. W. T. Hanes have received word from their son Midshipman Billy Hanes, that he is confined to a hospital in Portsmouth, Virginia.

In a telephone conversation early Wednesday morning, Billy told his parents he was improving from a recent illness and said he would have to remain in the hospital for a few more weeks.

Friends of Billy will be glad to know that he is making some progress and hope he will soon be on the road to recovery. He was a member of a crew of midshipmen who recently made a flying naval tour of several Texas cities.

His address is, Midshipman Bill Hanes, 2nd Class, SOQ No. 2, Naval Hospital Portsmouth Virginia.

Mr. and Mrs. Frank Boggan of Hearne were visitors here Saturday in the home of their son and family, Mr. and Mrs. Vester Boggan.

15th Annual Pythian Homecoming Will Be Sunday, September 2

The 15th Annual Pythian Homecoming will be held Sunday, September 2, 1951 at the Pythian Home, Weatherford, Texas, according to Roy Wright Chancellor Commander of the local Pythians.

Pythians of Texas will gather there to see the home and honor the Pythian Children.

Pythians are asked to come early and bring well filled dinner baskets. This is a big day for Pythians and local Milam Lodge No. 125 urges that all members of the local organization try to attend the homecoming.

M. G. Cox, Attorney Undergoes Surgery At Marlin Hospital

M. G. Cox, prominent Cameron Attorney underwent surgery at the Torbett Hospital, Marlin early Wednesday morning, August 29. Mr. Cox was resting fairly satisfactory, according to Dr. Howard Smith, attending physician. He will have to remain in the hospital for sometime.

Miss Mildred Thornton, secretary to Mr. Cox, in a telephone call to friends in Cameron, said that Mr. Cox stood the operation fine. Friends of Mr. Cox have expressed deep concern over his condition the past several days and will be glad to know that he is making some progress.

Mr. Cox is well known here for his ability as a civic leader and has always been interested in the welfare and betterment of his community.

Friday Night Slated
At Temple Ball Game
As Cameron's Night

'Cameron Night' is slated to be observed at the baseball game between the Temple Eagles and Texarkana, Friday night, August 31, according to Gabby Hayes, manager of the Temple Team.

Hayes in a telephone conversation to Bassell Wilson, owner of the Wilson Produce company Tuesday morning said that Cameron's night had been designated for Friday night.

A set aside time when all resi-

dents of Cameron attending the game, will be recognized, has been announced, Hayes said. Fans from the city and surrounding areas are asked to make special effort to be present so that Cameron will be well represented, Wilson said.

Many baseball fans from Cameron attended the games in Temple and a large crowd is expected at the game Friday night when the

Draft Calls To
Remain at High Level

Draft calls during the coming year will remain at least as high as they are now and probably will climb higher, according to Brigadier General Louis H. Renfro, deputy selective service director.

If draft calls do go up, selective service officials will have to put much tougher deferment policies into effect, the director said.

Citrus Punch Keeps Hostess Cool Too!

Summer months are great party months — for brides, for family gatherings and visitors. The problem of what to serve is simple today, thanks to the goodness of Florida citrus juices in cans, already to be mixed into refreshing punch and long tall drinks in a jiffy. Set up your table, put a last dab of powder on your nose, and then just before you're ready to serve, mix the chilled juices. Here's a recipe refreshing to the budget as well as to your guests:

Basic Florida Party Punch

2 46-ounce cans Florida grapefruit juice
1 pint golden gingerale
2 No. 2 cans Florida tangerine juice

1 No. 2 can Florida orange juice
1 Florida lime, sliced

Chill grapefruit, gingerale and tangerine juice. Remove label from orange juice and place in freezing compartment of refrigerator; freeze until firm. Pour citrus juices and gingerale into punch bowl. Remove both ends from can of frozen juice; push out; add to punch. Put in lime slices.

YIELD: 40 half-cup servings.

THANKS

We wish to express our thanks to the Cameron Volunteer Fire Department and all others who assisted in any way at the recent fire at the Cameron Round bale Gin.

Even though the fire was very destructive we want to take this means of expressing our gratitude to those who so loyally stood by and heiped bring the fire under control.
